## UNION EUROPÉENNE DES MÉDECINS SPÉCIALISTES - EUROPEAN UNION OF MEDICAL SPECIALISTS

The "European Union of Medical Specialists" (UEMS) is an international non profit-making association constituted in 1958 and regulated by the Belgian Law of 27<sup>th</sup> June 1921.

It represents all medical specialists in Europe operating through a Council, an Executive, a Board, Specialist Sections & Boards. Its work is underpinned by Standing Committees on Continuing Medical Education and Professional Development, on Postgraduate Training, Quality Management in Specialist Practice, as well as ad hoc Working Groups.

## WELCOMING MESSAGE from the UEMS President

*"The UEMS House - Domus Medica Europaea is the fulfilment of a long-cherished dream of UEMS. A state-of-the-art building has been created in which European medical organisations will find their common house and meeting space. Our facilities are available to the UEMS Sections, Boards, committees, working groups and for examinations and to all colleagues, institutions and organisations looking for a place dedicated to health care issues. It is my greatest pleasure as the current President of UEMS to welcome everyone to this unique establishment."*
